

Spring 2007

Dear Liturgical Ministers:

We have changed to a new parish ministry software for the upcoming schedule, please be patient with us as we are just learning the ins and outs of it - once the glitches are worked out it will be much faster. Please look at the schedule for March thru May 2007 and if you are scheduled for a Mass you don't usually attend, please tell me so I can adjust the schedule (that was one of the tricky things to get this program to do).

Lenten blessings,

Jane Mueller
