Grand Knight's Message

As our fiscal year for the Knights of Columbus comes to an end on June 30th, and our election of officers was held at our last meeting in May, I would like to thank all of those who offered their services to be officers for the 2009-2010 fiscal year. I also would like to thank everyone that has supported me as your Grand Knight for the past six years. Without your help I could not have achieved the successes that have come to our council. It has been an honor to represent our council at the state, and take on those challenges that I believe have made our council more unified and able to function in the absence of those who normally are leading a project. There are many of you that are very capable of offices in the Knights, and I hope to see many of you one day participate and volunteer to help on the officer team, council 10774, Knights of Columbus.

Fraternity is avoiding "cannots"

Kind words bring life, but cruel words crush your spirit. ~ Proverbs 15:4

You cannot bring about prosperity by discouraging thrift.

You cannot help small men by tearing down big men...

You cannot lift the wage earner by pulling down the wage payer.

You cannot help the poor man by destroying the rich.

You cannot keep out of *trouble* by spending more than your income.

You cannot further the brotherhood of man by inciting class hatred.

You cannot establish security on borrowed money.

You cannot build character and courage by taking away men's initiative and independence.

You cannot help men permanently by doing for them what they could and should do for themselves. ~ William J. H. Boetcker

Which of the above "cannots" is a problem in today's world?

Which are you most guilty of?

Two things are bad for the heart – running up stairs and running down people.

~ Bernard Baruch
